

Link Report for March 2011

Roads: As you read this (in March) the work on re-surfacing Church Road should now be completed. During the rest of 2011 and the first quarter of 2012, re-surfacing work will also be done on all of **Dunstable Road**, (from the roundabout into the village centre), and also **Woodland Rise**. From April 2012 and the first quarter of 2013, it is anticipated that re-surfacing work will cover Common Road, Clement's End Road, and Pedley Hill. In 2013/4, it is planned to start work on Byslips Road. This means that by April 2014, most of the village roads should have been treated. It will also mean some disruption to journeys and the bus service, especially during the work on Church, Common and Dunstable Roads, but we hope that you will understand and bear with us.

Parish Meeting: Our **Annual Parish Meeting** will take place in the Village Hall on **Monday, April 4th**, starting at **8:15 pm**. This is your chance to tell the Council what you really think of what we have tried to achieve during the past year, because we don't know unless you tell us. We hope to see you there: please come and join us for refreshments..

Parish Surgery: We are planning to hold a **Saturday Surgery** in the Village Hall on **Saturday, 18th June**, starting at **10:00 am**. As yet, there is no fixed topic, so we would love to hear of some suggestions from parishioners as to what they would like discussed. Please contact us with any ideas that you may have, and we will gladly include them in our deliberations.

The next Council Meeting will be on Monday 7th March, in the Village Hall Committee Room, starting at 7.00 pm.
